

AARK Archipelago Art Residency in Korpo Finland

Open Call for 2016.

winter - spring - summer - autumn.

First deadline Saturday 19th Sep. For national and international art professionals.

We are looking for artists and other art professionals from all disciplines for whom nature and the surrounding seaside could be an interesting surrounding or theme to work on. We offer a space to think and time to develop a new idea - or to continue on a work in progress.

AARK is located right by the ferry shore, you can follow the Sea Way from windows and from the yard. Our residency is surrounded by the unique archipelago nature that you easily can reach by walks, by bicycle, by bus - or by the connection boats to outer island. You can go to swim straight from our Sauna.

We encourage a dialog inside the residency AARK, between both national and international guests and a dialog with local people and the environment.
